

Invitation for stakeholder feedback round

GS4965 – Cambodia VPA

Thank you for your participation and comments during the Stakeholder consultation of our Cambodia VPA “Accelerating Clean Cooking Solutions in The Mekong Region - Cambodia VPA01” (GS4965). Currently, SNV in partnership with Nexus Carbon for Development (legal name) are pursuing validation with the proposed Gold Standard Foundation for a Programme of Activities PoA and VPA.

We are inviting local stakeholders, including government authorities, NGOs and the general public to provide feedback for the Stakeholder Feedback Round (SFR) of our Cambodia VPA, starting from 9th July 2018. Please find attached the VPA documents:
