

Invitation for stakeholder feedback round

GS6252 – Vietnam VPA

Thank you for your participation and comments during the Stakeholder consultation of our Vietnam VPA “Accelerating Clean Cooking Solutions in the Mekong Region – Vietnam VPA03” (GS6252). Currently, SNV in partnership Nexus Carbon for Development (legal name) are pursuing validation with the proposed Gold Standard Foundation for a Programme of Activities PoA and VPA.

We are inviting local stakeholders, including government authorities, NGOs and the general public to provide feedback for the Stakeholder Feedback Round (SFR) of our Vietnam VPA, starting from 9th July 2018. Please find attached the VPA documents:
